Mission

We embark on the mission of creating individuals who are confident about their potential and are goal oriented, sensitive to their environment and above all, co-creators of their own destiny. Our aim is to help a child realise his/her inner strength and give him a conducive environment to grow & evolve as a good social being and a global citizen.

At GD Goenka Public School, Gaya we aim to provide an academic environment which treats each child as a unique individual and develops him/her to the maximum potential. We also aim to provide a variety of learning experiences which promote integrated growth in all areas, be it physical, intellectual, moral or social.

Vision

Education is the apprenticeship of life. Our vision is to provide value based education with new innovations and ideas so that our pupils grow into aesthetically rich, intellectually aware and integrated young people, capable of fulfilling their dreams and aspirations. Our vision is to strengthen the basic foundation and thereafter allow the latent talent to fully develop. Creative energies need a caring environment and this is what we endeavour to provide
